A Clandestine Meeting on the Roof
As long as we're up here, nobody will see
Sensei!
I love you too!
I won't let anyone else have you!
I love you too.
I...
#20: The Second Coming of the Storm

N-... Nothing
What's with you? You were totally spacing out.
Uwa!
Onee-chan.
You fell asleep?
...chan?
Eiko-chan?

Want some?
You're so easy to read
I bet you were just daydreaming about *that guy* again, weren't you?
CRINKLE

2

Getting strung along by a spineless loser like him...
Still, you've got it rough, Eiko-chan.

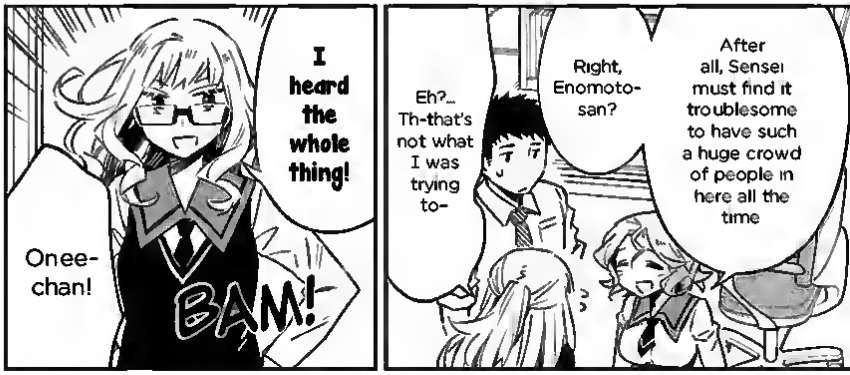
Be that as it may
I still love Kunihiko-sensei.
We even went up to the roof... And then, we.. ♥
And no
Th-Thank you..

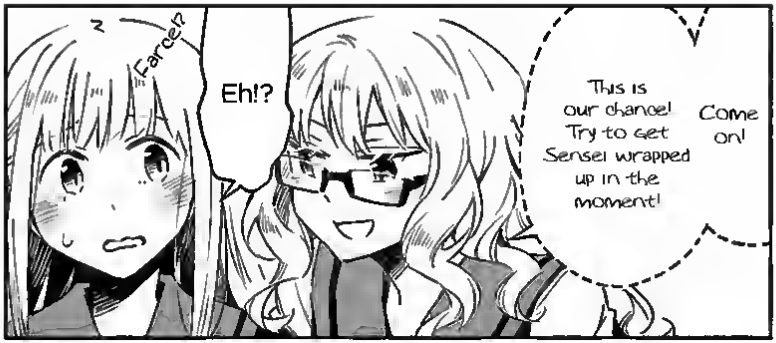
I don't think
it's right to let things go on this way!
...Sen-sei!
O-oh?
What's this, all of a sudden?
5
I must agree.
So, I believe that all of us should try to stop intruding on you here in the future..
I think that we've all been... taking advantage of your kindness.

!?
for Kunihiko -sensei to pick one of us!
Brilliant
I think it's about time
Plan!

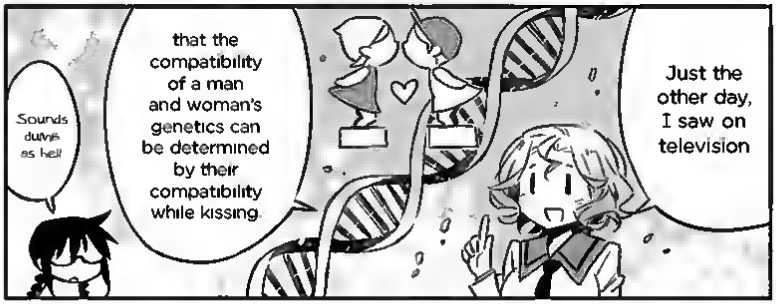


I heard the whole thing!
Onee-chan!
BAM!
Eh?... Th-that's not what I was trying to-
Right, Enomoto-san?
After all, Sensei must find it troublesome to have such a huge crowd of people in here all the time

WHISPER
-Eiko-chan.
That'd be a lot better than the harem situation we've got going on now, right?
Hold up, hold up! That's not even the issue here!
I'm not picking anyone!
Nice idea!
Suppose we were to say that everyone who's not picked isn't allowed to come around here anymore
Sounds like a good plan to me.



Eh!?
Farce!?
This is our chance! Try to get Sensei wrapped up in the moment!
Come on!



Just the other day, I saw on television
that the compatibility of a man and woman's genetics can be determined by their compatibility while kissing.
Sounds dumb as hell

Perhaps we could all share a kiss with Sensei, and then he can choose whomever he finds himself most compatible with!
Kyaa! It's so romantic!
Wow, she's worse than a bitch in heat.
Sheesh. This is why I can't stand sluts like her.
Senpai, please, there's no call for that kind of language.
A-.. Anyway! Can we please get back to the topic at hand!
Haa..
I wanna go home..

That way, you don't have to touch anyone, so there's nothing to worry about!
You comer each of them up against the wall, just like a classic pickup artist, and then we pick whoever is most affected by the situation!
Yes, exactly, against the wall.

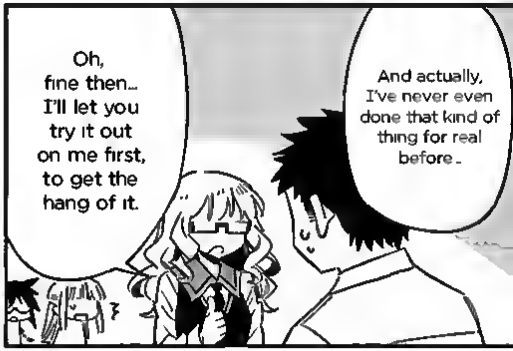
Against the wall?

OH, COME ON!!
None of you are gonna say anything!?
SILENCE...

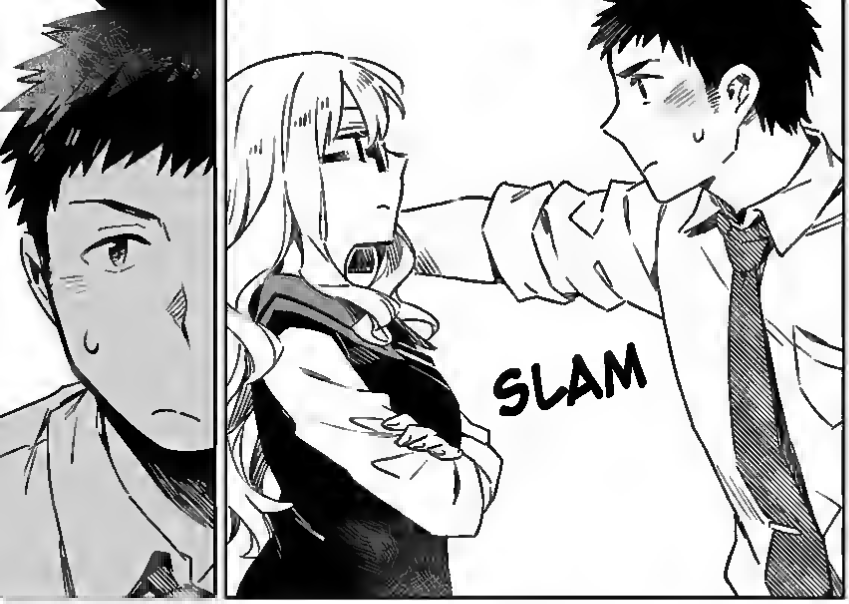
I'm sure none of you want to either, right?
NO!
Hold up, hold up, there's no way in hell I'm doing that!"

8

Eh...
Come on, what are you waiting for? Hurry up and do it, you simpleton!



Oh, fine then... I'll let you try it out on me first, to get the hang of it.
And actually, I've never even done that kind of thing for real before.



SLAM

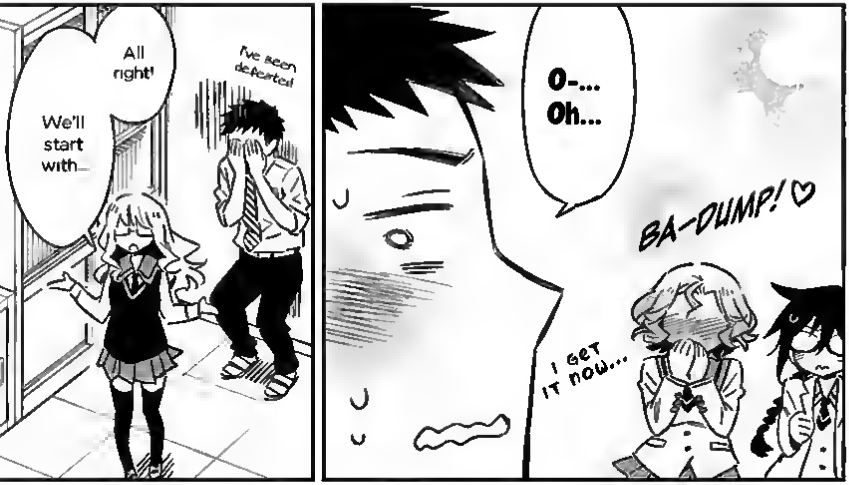
Hmm...
.....

It should be more.

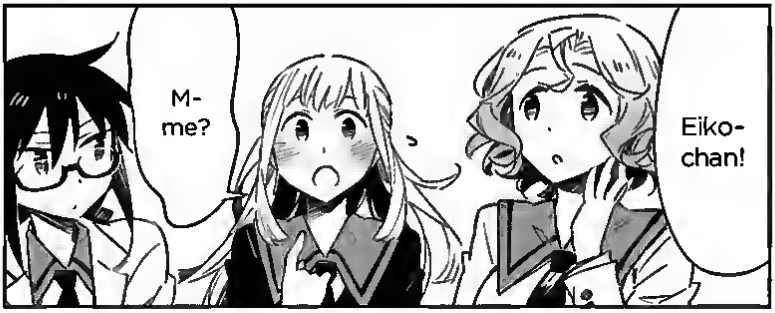
I'd say you're kind of... lacking in force.
Well, it's definitely not setting my heart aflutter.

SHOCK
It had no effect!

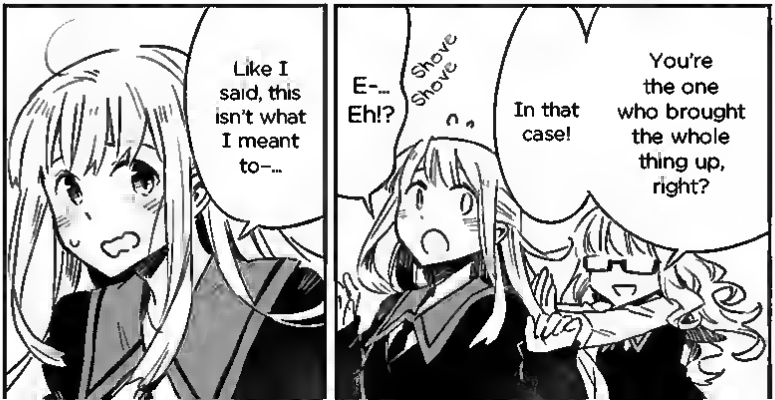
10



All right!
We'll start with...
I've been defeated
O-... Oh...
BA-DUMP!♡
I get it now...



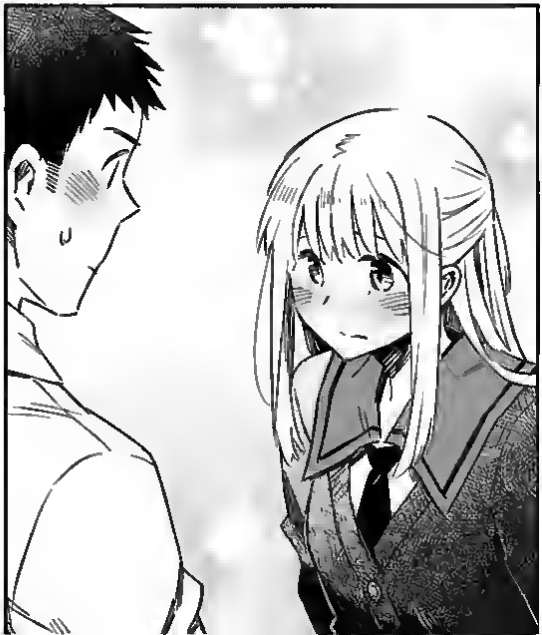
M-me?
Eiko-chan!



Like I said, this isn't what I meant to-...
E-... Eh!?
Shove Shove
In that case!
You're the one who brought the whole thing up, right?

Come on, Sensei! And you better not get too carried away, got it?

Oh, come on. Just do it!
Take advantage of the moment and go in for a hug or something!
Ehh!?



I'll be fine if I just stay calm.
Just stay calm...

Kunihiko-sensei,
Hibiki wanted to invite you to her school's Cultural Festival, so we...
Oh my! Now what sort of game is this?
Oh, um!... Th-this is just... educational roleplaying? Er, I mean,
it's absolutely nothing to be ashamed of!

Oh, Enomoto
Language Arts Faculty Room
Why can't things get quieter once classes end...
Haa...
Another exhausting day...

I'm sorry about what happened earlier...
Your sister got some strange idea in her head, and then...
Well actually, it was more like Kurihara's idea...
Actually, how about we just put all that aside

Oh, no..
I'm used to it by now
Sorry about that.
More importantly, you were trying to say something earlier, weren't you? We kind of got carried away with some weird stuff, and you never got to finish.

if we really did stop coming around here so often.. All of us.
...I think it might be better.

I mean... The way things are right now is just unnatural.

O-... Oh.
Rumple
Rumple
Ahh, geez, my bad! my bad.
As long as you stay out of the way it's not a problem if you hang out here
...This kind of thing happened

...A-and Hisakawa-san should be treasuring her time spent with her friends at her own school, right?
Kurihara-san and Kazumiya-san should really be trying to fit in with their own class, and spending their time there

Well, I'm pretty sure she's coming to see you, not me...
Hah Hah Hah!
And Onee-ch-... My sister says she's not interested, but she's always suddenly showing up at the faculty room
Don't fight, okay?

16

...We're all just doing whatever we want.

My sister's always up to no good, so I'd prefer it if she'd just sit still...

And you, Sensei! You're being too lenient
Please, be more conscious of your own actions
If you're a teacher, act like a teacher
and be more strict with us.

Sorry, you're right...
...If you don't,
I...
